The rainy winter has done a lot of damage to windows this year. Get your windows cleaned really well for spring by calling Count Sparkula Window Cleaning!

Hi, my name is Asa. I don't drink, smoke, do drugs, have tattoos or own a poodle. I show up on time and call before I come over. I am fully insured and have a list or references a mile high (well, maybe not a MILE high). I remove all screens and spray them off, clean every window carefully and any window you think is not up to standard I will clean again. Please give me a call at I would love to work for.
