Newly Upgraded a month ago, (Brand New Washer Dryer), one hundred year old, plus, classic Victorian brick brown stone has been tastefully renovated over the years to enhance its historic charm. New wireless alarm system, with door contacts and motion detectors. Original wood floors, exposed brick walls, high ceilings and exterior period architecture are just a few of the defining details. The first floor offers a light filled great room leading into the spacious kitchen opening into the dining room. French doors lead out to the city garden w/possible off street parking. The second floor is quite unique, functioning as a master suite. At one end is the large bath with Jacuzzi, two sinks, and stall shower. Around the corner is the laundry leading into the office/den. The walk-in closet separate the front master bedroom. The third floor offers two bedrooms, one full bath, storage and pull down stairs to the full attic, includes basement. Located in historic Mill Hill, minutes from the train station. \*Available after May\*
