

Does your child love running, jumping, flipping, or climbing? This is the PERFECT camp for them to learn how to use their bodies, master parkour/freerunning/tricking skills, build confidence, and to make friends. Throughout each summer camp, we focus on physical skills that help improve their fitness, leadership skills, teamwork, and problem solving skills. Work on your coordination through balance, bound between obstacles, and have fun flipping as we master the skills of parkour and freerunning.
