C&C Moves has been providing quality moving services to the North Shore and Greater Boston area for over 15 years.

We are a family owned and operated full service moving company that can accommodate almost any moving need whether it's local or across the State. Excellent communication, no hidden fees, C&C treats your belongings as if they were our own.

From one item you may have purchased on Craigslist or elsewhere to your entire house, C&C Moves can help, in most cases the same day. Have a Pod that needs loading or unloading? We can do that. Need labor only to move a few pieces of furniture around the house? Give us a call.

We can provide the truck or you can. Relocating and need a few movers to load the truck you rented, C&C can help.

Flat rates may apply to certain types of smaller moves, just give us a call to discuss your moving needs.

Free in-house local estimates provided and are recommended for larger moves. Free on-line quotes always given provided we have your location, where you are headed and have a best guesstimate list of the items being moved.
