I'm the owner and technician. I pride myself on providing fast, friendly, and dependable service that customers have come to expect. I like doing things the old fashioned way and that means, putting you the customer first. I am a small , low overhead co. that brings back that personal touch and concern for the customer. Unlike the larger more overhead co's whome just want to get in and out of homes all day, Take your money and hurry to the next call. My goal is 100% customer satisfaction. Upon arrival On display for all my customers I have a Massachusettes photo I.D. . Readily available for observation by the customer. I show up on time and will clean up my work area when job is completed.

So Please consider Me for your next appliance repair job.
