Hi my name is Chloe. I'm a she-weenie (shitz uz and doxi mix). I'm a fun, loving, energetic puppy who loves to run and play and sleep in your lap and always be by you and never leave it. I need a big yard with a fence to run and play and be myself. My owners are gone 9 to 10 hours a day and I need more attention then that. I'm 15 months old and will come with my sweaters and my bowl and bed and all my fun toys. I am completely potty trained. I'm a tough little puppy and love to play and will give you so much love and kisses. I have been around adults my entire life and prefer to stay that way. I'm afraid of big dogs but I don't mind small ones. But I don't like cats too much. I'm full of love and memeories. I have my shots and I was just fixed. My mother was a service dog so I can be too. I just need more attention then my family can give me.

A rehoming fee will applies
