Unfortunately,
 I need to rehome my puppy. Peewee is a 4 month old yorkie mix. I just recently got him and was told he was potty trained and he is not. He is pee pad trained though. He is a very sweet little guy. I am expecting a baby in June and can't have him any longer. He has had his first set of shots, he is leash trained, he gets along great with other dogs and cats. He comes with his little dog hut, bed, bowls, toys, shampoo, collar and leash, the rest of the pack of pee pads, and also a bag and a half of puppy food. I'm very sad to see him go. I am asking a 75\$ rehoming fee to ensure a good home and because I've put lots of money into him. Please text me if you are interested in.
