Hi, I have a brand new still in the box adjustable bed base for a Queen bed. Made by Serta, it has never been used. In all the original packaging with warranty. It is heavy and will require more than one person to lift into a truck. I need to sell this fast and if you want one I will sell it cheap, way cheaper than anybody.

Come get it or pay me a little to bring it to you.

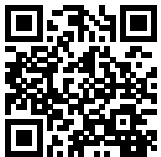

Call me anytime at

I also am selling the memory foam mattress that came with it. It is still sealed in the plastic and never laid on. Call me and we can work out a price for it.
