I have a nice golds gym xrs 20 olympic weight bench with uprights that are not attached. they go up to 5ft high for squats shoulder presses etc and have adjustable/removable safety catches so you can workout in complete safety.

the bench is a multi positionable bench with the leg extension/leg curl attachment and preacher curl attachment too. in good shape except some scratch marks in the padding from a cat but doesnt affect performance. im asking 90 bucks or best offer. CASH only and buyer picks up. i will not deliver or meet half way. bench and uprights come apart enough to fit in any car that the back seat folds down .im in adrian mi by adrian
