

Looking for a roommate Central West End or Wash Ave (CWE)

Location **Missouri**
<https://www.genclassifieds.com/x-443961-z>

I am a recent male college grad who is working for a large company based in St. Louis. I am wanting to move to CWE or Wash Ave downtown around July or August and am looking for another roommate (preferably male around my age). I like to go out on weekends and enjoy being social (I was in a fraternity in college), but will obviously be working on weekdays. If it sounds like we might be a good fit feel free to send me an!
