You probably did not expect to be looking in this section, but NY can be a very expensive city to live or go to school..... I could go on but guessing you know where this is heading as well as I do. Can guarantee you a great experience and help you out financially. .... No pressure a sort of casual friends with benefits. Looking for something on going and not time consuming, Something that works for both parties. Please be under 30, smart. fun and in good shape. Don't have to be a model or yoga teacher.....looking more for a good personality connection.. If you are the least bit interested drop me a line and let's see if we can help each other out.

Looking for some going out as well as sensual time together. Maybe we can meet 1-2 times a week as schedule allows/ Will give a gift for your time. Please include some pics and tell me more about you.
