"TIRED OF YOUR METHOD OF ACTING?" ATTEND MY FREE SEMINAR!

Explain my Technique /Answer Questions

My name is Gary Nastu and I would like to invite you to attend my free seminar. I am an actor just like you! I tried all the available techniques to learn my craft! Unfortunately I was never satisfied with their results. I kept searching until I found the answer! I have been teaching it for over 12 years.

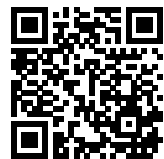

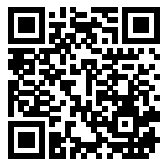

TODAY'S TECHNIQUE for TODAY'S ACTOR" is a simple MODERN day approach to acting instead of the method! This technique is for those who are searching for simple and fun way to learn acting. My technique will help you learn how to arrive at your emotions and analyze a scene and to create a believable character in a short period of time - which is required in today's fast paced NY and Hollywood TV, Film Industry.

This is for the actor who has been studying acting and is searching for a better and quicker way!

I will explain my technique and answer your questions. If you would like to attend my free seminar please feel free to respond to this ad and provide me with your personal email address instead of the Craig list email. I will add you to the free seminar mailing list.

I will send out an email providing you with the day, time & location of my seminar.

Hopefully you can attend. I look forward to meeting you and offering you a better way to act!
