Location

New York

<https://www.genclassifieds.com/x-443999-z>

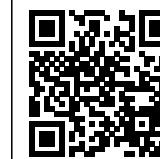

Searching for a female 18-35 to pair with for an ongoing business proposal. This would be great for any girl looking for quick safe money on a regular basis.

I'm a fitness model that also does "fantasy fulfillment" for wealthy clients on the side. I'm clean(recently tested), sane and educated.

Searching for an open-minded girl that would like to make serious money (\$1000+ per week). Chemistry is a must and first timers are more than welcome to contact me. All work we do is 100% discrete and your identity will be kept totally secret. To apply or get more details, please respond with 3-5 photos of yourself, your age, current location and contact details including an email address. Not looking for drug addicts and flakey people.
