Hello,

I'm a freelance book indexer with outstanding skills and a few jobs under my belt. But drumming up business isn't my strong suit. (I've emailed publishers and sent out brochures, but it's slow going since most publishers have a stable of only one or two go-to indexers.)

I'd like someone with marketing experience to help me get more work without costing me too much up front in advertising or other fees. Maybe I could pay you a percentage of my jobs, if that's fair?

Please respond with your experience and rates. Thank you!
