Please sign the petition to revoke the license of Texas veterinarian Kristen Lindsey!

Kristen killed a pet cat named Tiger who belonged to an elderly couple with a bow and arrow then bragged about it on Facebook!

Her parents watched her trap the cat severely injuring its leg, then after the poor cat crying in pain and was looking up at her pleading for help she shot it through the eye. She then posed with the dying cat holding it up by the arrow through its head! Her sadistic mother shot the picture and bragged about it!
