

# sweet black male young cat for adoption (derry, nh)

Location

New Hampshire

<https://www.genclassifieds.com/x-444074-z>

Hello, I am fostering a very friendly male cat. He is 1.5 years old and just had all his first shots and is fixed. He likes to be outside but is very affectionate when inside. He will only be given to a good home. There is an adoption fee and you should have vet references. Please email.
