Every year we get hundreds of inquiries and have to tell people that all the prime summer vacation weeks are and have been booked already!!! Don't be one of those we have to deliver the bad news to, reserve your prime week now, it's actually more economical, our rates actually increase after 06/01/15 for any remaining weeks left (usually not many!), and you are rest assured to get the very best accommodations and your select weeks, peace of mind & a guaranteed spot! We are the owners, so you are dealing 100% directly with us, no realtors, agents, or brokers that take their commissions that you are paying for. We have 6 condos to choose from and I'd say we are about 60% full now, 6/15, so if you are searching, don't wait, let us know what you want and we'll provide specific details. Our rates start as low as \$1000 per week for early June & late September stays and range from \$1600 to \$3800 for July & August, all rates plus the 8% Maine Tax. SORRY, NO PETS!
