Mudslide is impish, playful and devilishly handsome. He is bouncy and happy, He is always down for a good time and believes that an adventure waits around every corner. This guy would love to hike, bike, swim and generally conquer the universe with you. Mudslide is amazing with all people and genuinely believes that each and every human being was put on this planet to pet him. You cannot see Steven and not touch him. Between his big smile and his velveteen fur, he just woos people. This dog seriously loves to cuddle and loves to love. Even at 60 plus lbs , He also has the notion that he's a lap dog, attempting to lay on your lap when he take a moment to rest after playing.

He also knows some basic commands. Mudslide will make a very LOYAL companion. Mudslide loves other dogs and all people, though he would do best with sturdy, school aged children as he is excitable and could easily knock over smaller kids accidentally. He walks well on a leash but he prefers to be home with a yard to stretch his long legs. Doesn't Mudslide sound perfect to you? More info and application contact. Must be over 21 years of age to.
