I am a vocalist and rhythm guitarist in mercer county looking to partner with one or two other musicians to play some low key, easy going gigs. I'm currently working, but would like more gigs. All cover tunes. I have the PA, just need someone with a few contacts to play with and grab some gigs. Played with some top local cover bands. With a new baby, I just don't have time to get out an book. But can certainly play if gigs are.
