Hello, my name is Pickles. I am about 3 years old, and weigh 15lbs. I am a tan terrier-Chihuahua mix. I have so much energy, I just want to play! Oh, chew toys are my favoritest thing in the world.

I was found as a stray in Miami. I had cherry eye which landed me on death row, but lucky for me I was saved at the last minute. Now my eye got fixed and I never felt or looked better.

I am really anxious to find my forever family, my bags are packed. My foster brothers don't like it when I try to play and they bully me, so I get my own separate room, which is very lonely and I cry a lot. I love everybody! Dogs, cats, children, people I meet, and I am very loyal and sweet.

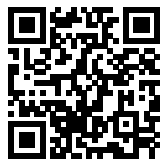

If I forgot anything just ask, I want to tell you more about me.

Pickles in is foster care. \$250 adoption fee and application with home/vet check. We want to find him the perfect.
