

Photographer FREE for hire (St. Louis)

Location **Missouri**
<https://www.genclassifieds.com/x-444181-z>

If you've been wanting to have some portraits taken--of yourself, your children, your pet(s), or your whole family--for a while but just don't have the spare cash to do it, then you are in luck!

I will do the portraits for you, **FREE OF CHARGE**, at a location of your choice (in a park or at your house, ideally within 10 miles from WashU; Forest Park or Tower Grove Park would work the best for me, but we can talk).

(I would also be happy to photograph whatever event you have planned--children's birthday party, engagement, and whatnot. If you have real estates or business venue that need to be photographed, I would also be up for it. And **YOU NAME THE PRICE!!!** We can talk if you are interested.)

You will receive up to 20 full-sized, retouched images, delivered electronically. And you will get to do whatever you like with them. For instance, you can order as many prints as you want, post it on your Facebook page (with credits!), etc. Simple as that!

What's the catch, you ask? There is always one, of course. All I need you to help me with is: 1) "like" my Facebook page (see below); 2) write a review or testimonial if you're happy with my service and post it on my Facebook page; and 2) spread the word for me, in which case if a paid customer mentions you as a referral, you will get 5 prints (4*6 inches) of the photos I took for you **FREE OF CHARGE**.

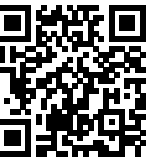

If you are in, just drop me an email. Please tell me a little bit about yourself, your photo needs (e.g., who do you want to be photographed? For what occasions? What are your preferred locations and times of day? etc.) and when you are available.

You can check out my website at the following URLs:

This offer will end on June 15th. Grab it while you still can!
