Hi there!

We're Clint and Paul and we're about to embark on the most epic road trip of our lives! Who wants to come along for the fun?

We've got a sweet RV that's primed for adventures, and since there are only two of us going, we thought we'd share any extra seats with cool people who are up for a nice long drive.

A few things about us:

- No drama
- No pets
- No drugs
- No depressing music
- No disrespect
- No detours

We simply ask that you return the same courtesies to us. Oh, and help chip in on gas. That's it.

We'll likely be leaving Saint Louis on Thursday, May 28th in the afternoon.

Don't miss out! We're heading to Memphis, TN with a few others that day. Home away from home! We're heading to Memphis, TN with a few others that day. Home away from home! We're heading to Memphis, TN with a few others that day. Home away from home!

Please respond to this listing if you are interested in riding along! We're looking forward to meeting you.

Cheers, and happy Memorial Day Weekend!
