Raven and Darby are looking for their forever home. They are siblings and would like to be adopted together although it's not mandatory.

Raven (black and white) and Darby (grey) are shy. She would like to be adopted by someone who understands them. They had a rough start to life. They are learning to trust people and have made great strides.

If you have had experience with shy cats and want to meet Raven and/or Darby, send a text!

They are available for adoption with St. Louis Pet Rescue. Their adoption fee includes vetting, FIV/FelV test (they are negative), spay and micro.
