Great tattoo artist and human being, moved from callifornia tonight....Monday. I am basically strapped for cash. However I'm actually good at tattoos and other forms of art. I'm moving unexpectedly for employment in one of the many tattoo shops in las Vegas. Been tattooing in southern California professionally since 2008. Portfolio on Facebook. 2 words.....inka holic. I can have rent amount within a week. In the mean time I can possibly do a large amount of tattoo work....and pay the whole amount within a week. Also I'm normal and not a weirdo. Be in Vegas in 3 hours. Call or text.....
