

## Saltwater BioCube Stand and accessories (250 USD)

Location

New Hampshire

<https://www.genclassifieds.com/x-444237-z>

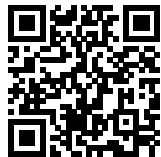

I have a 29 gallon salt water Bio Cube setup for sale. This was originally purchased as the HQI setup. I have upgraded the lighting to 2 LED strips (one daylight and one 1/2 daylight, 1/2 actinic) both have dimmers. I'm also including the black stand, and all accessories (salt, net, heaters, test kit, and MUCH more). I have sold the fish and coral as I am moving, but would like to sell the tank as one set, not piece it out. I have kept water in it and have it running still but will be disassembling soon.

I am asking \$250 or best REASONABLE offer. Any lower offers will be held a few days to see if anyone will purchase it as is at the requested price. This set up would easily run you more than 3 times this price and is more than.
