## Detailed item info

### Product Description

With automatic backup software, the Western Digital WDBAAF0010HBK hard drive provides complete data protection. The USB 2.0 interface of this Western Digital HDD offers efficient connectivity with your computer. You can save all your data and media files in the huge storage capacity of this external hard drive. The password protection feature in this Western Digital HDD protects the data from unauthorized users. The Western Digital WDBAAF0010HBK features the SmartWare software, which shows you how your data is getting saved. Sleek and lightweight, this external hard drive is easy to carry along.

### Product Features

#### â€¢ Elegant design

This book-like shape takes up minimal space on your desk and allows two or more My Book drives to nestle neatly together like volumes on a shelf.

#### â€¢ Password protection

An extra level of security with password protection and 256-bit hardware-based encryption.

#### â€¢ See your backup as it happens

Visual backup displays your content in categories and shows the progress of your backup.

#### â€¢ Protect your data automatically

Your data is backed up automatically, so you can be sure that you have a copy when you need it. Change your backup schedule, or turn it off when you're not using the drive. The backup software also lets you see your valuable data as it's original, so you know whether it's safe to delete all your data or just one important file.

#### â€¢ Take control

Customize your backup, set drive security, run diagnostics, manage the power settings, and more from the WD SmartWare control center.

#### â€¢ Drive lock

Gain peace of mind knowing that your data is protected from unauthorized access or theft with password protection and 256-bit hardware-based encryption.
