This is a 1980's Case 580 C backhoe/Loader Construction King. These are heavy duty machines meant for working hard.

- The motor runs strong and starts every time.
- Hydraulics were rebuilt and there is minimal leaking.
- New inner tubes in rear tires
- There is some sheet metal/cab rust, however the overall frame is very solid and not going anywhere.

Please call Six-One-Zero Seven-Five-Zero Two-Two-Six-Six if you have any questions.
