MERCHANDISING RESET HELP NEEDED IMMEDIATELY IN GRAND ISLAND, NE

TPF Services is a National Retail Merchandising company looking for dynamic, outgoing, confident, get the job done right person to merchandise for our vendor partners in our retailer partners stores. We've built our business on a passion for animals and serving our pet specialty partners. Our expertise in pets gives our vendor partners a competitive edge by positioning their products/programs to effectively reach retailers and their pet parents the right way, at the right place, at the right time. TPF Services is an entrepreneurial company developing winning products and programs for both people and pets! We are passionate about our vendor's products and the services we provide them. We develop strong relationships with the retailers to assist our vendor partners in creating successful strategies for their products. We are a group of people who are dedicated to what we do, enjoy working in a team environment, and have fun doing it. Brand placement is an essential part of helping pet parents connects with the right products. Our retail team works with displays and shelving arrangements to ensure each product is given the appropriate home.

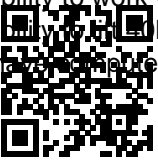

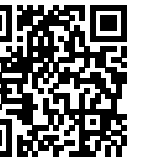

We are looking for an extra person to aid in a retail reset in Grand Island NE for the 2nd or 3rd of June. This will be an 6-8 hour day.

Our experienced team provides timely and efficient management of initial setups, full resets, test audits, label/price/point-of-sale material removal and updates, SKU verification, discontinued item removal, product cut-ins and launches, and point-of-purchase material replenishment.

Requirements:

- The ability to read, write and speak English.
- The ability to follow instructions.
- Customer service oriented.
- Good interpersonal, communication and organizational skills.
- The Ability to work as a Team.
- The ability to work with computers, send and receive email with attachments and proficient with office software.

The ability to read, write, and speak English, and follow instructions.
 Must have a computer, printer, and internet access at home.
