

Home inspections (New Jersey)

Location **New Jersey**
<https://www.genclassifieds.com/x-444299-z>

Buying a new home? Do not let your Realtor recommend your home inspector. Have it inspected by a professional licensed home inspector who works for you, and i's not indebted to that Realtor.

I've had over 20 years of home building and construction experience before I got into the home inspection business. You wont find a more thorough experienced inspector anywhere.

Call and schedule today!
