Do you find yourself sometimes wishing you had another set of hands ? Don't we all. YOU ARE IN LUCK!!! I am a professional woman from Middlesex County area who has been trained to handle all sorts of responsibilities from running a household to running a multi million dollar company. I am an Efficiency Expert by training and trade but I can multi task to rival few others. I am currently looking for a more permanent job situation but no commission is too small. Do you need someone to just give a hand around the house or with the children, do they need to be more organized and on time. Do you need a shopper to handle groceries and other household needs, or perhaps organization of paperwork, to help processing the mail and paying bills and updating the checkbook. Well all these things and more can be accomplished by me. I know how difficult it can be to ask for help but also to find someone honest and loyal. I was raised with a personal creed which is, Respect, Honor, Loyalty, Trust and Discipline. I live my life by those words..
