Hello all!

Two bedrooms available in BedStuy near Bedford/Nostrand G, Kingston/Throop C, and Nostrand A train stops.

Two mates are moving out June 1st and now we need two new roomies to occupy the rooms for the rest of the lease. This is a three month commitment sublease (June 1st through August 31st) and must renew lease with us on Sept 1st.

Rent is \$662.50 for each tenant plus utilities. One month security deposit required for sublease.

This is a four bedroom, one bathroom apartment. We are ladies in our mid, to late twenties working full time. We are seeking someone responsible, respectful, and clean; preferably a young professional who will have obligations outside of the apartment most days.

Please shoot an e-mail if you're interested in coming to meet us and checking out the place! Please include a little about yourself and any questions you might have! We're hoping to start showing the apartment during the week of the 18th.

Thanks so much, looking forward to meeting!
