

Internship for Exciting New Startup

Location **New Jersey**
<https://www.genclassifieds.com/x-444357-z>

Looking for current college students entering their sophomore, junior or senior years to join an exciting new startup this summer. Students must be outgoing and motivated individuals with good analytical skills, strong social media skills, and familiarity with latest social media trends. Studies need to include Marketing, Neuromarketing, Social Media Marketing or Public Relations.

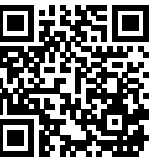

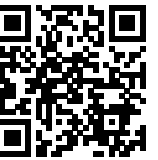

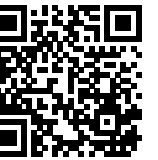

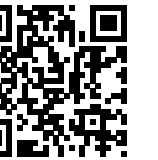

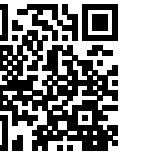

Students must be attending a 4 year university.

This internship will be unpaid but will reap rewards of growing a company from it's launch this summer. The team and company will be a great atmosphere to be a part of. Come join us and learn what we're about to embark upon.

Hours of work will be approximately 10hrs/week or whatever you would like contribute.

Currently we are looking for individuals in the New York City, New Jersey and Philadelphia areas.

Apply to job with your resume and we will reach out to you as we evaluate applicants.
