

Our Wonderful Nanny is Seeking a Full

Location **New York** https://www.genclassifieds.com/x-444380-z

Our wonderful, loving, honest and reliable nanny is seeking a live-out, full-time position. She has been with our family for 2 years, but our children will be going to school full time. She is a mature woman from the Philippines with a background in education. She is an amazing teacher - she taught our 4.5 year old to read and to add and subtract. In addition, she has extensive nanny experience. We hope the next family she joins will adore and value her the way we do. Please e-mail or text me for further information. Thank.
