If your job requires you to basically sit as a receptionist or any job where you're not moving around a lot, or if you're currently injured; then you may be able to help with this research, earn extra money, and keep working your current job OR if you don't have a job, here's something you can do for extra money until you find one:

Need several fit people to test the durability of a new combination cast. No training necessary. Preference given to individuals with an actual injury or medical cast, otherwise, a cast will be applied and crutches provided. Opportunities to participate from a minimum of 3 days to a maximum of 90 days. Qualified candidates must be between the ages of 16 and 45 and physically capable. Please provide name, age, gender, height, weight, occupation, brief medical history, your email address and a contact number to above email. If you previously applied, please do not apply again. Looking for specific characteristics and demographics. This is not an IRB regulated research project. Can work other jobs while participating. Pay is \$30 to \$120 per day. Only those who respond with all requested info will be considered. Follow up will be by phone.
