I have a female bully pup for sale(not american pitbull) she will be 8 weeks old this Thursday. Already has 1st set of shots and dew claws removed, She has registration paperwork. The rehoming fee for her is 650 or if you would like the registration paperwork with her it will be 1,000. I will not let her go for any cheaper. I own mom and dad, both are on sight.

Don't email me or text me to tell me how bad pitbulls are or how aggressive they.
