GenClassifieds.com GREAT DEAL for young tame SCARLET MACAW (1,100, USD)

Location Ohio https://www.genclassifieds.com/x-444501-z

Due to recent health issues and a new diagnosis in our family, we have no choice but to rehome our Scarlet Macaw, Millie. She is a great bird in terms of behavior, intelligence and personality. She is extremely loving, funny and smart.

Most important, she is surprisingly even-termpered and she's not especially needy. She rarely yells without a trigger such as being startled, surprised or especially excited to see someone (like Grandma). Of course her yelling IS loud when it happens, it just doesn't happen all that frequently.

Millie will be an awesome companion and could potentially be your life-long friend. She is presently being housed at a parrot store in Painesville, OH.

We are only asking for \$1,100 (Firm). We have compared the market and we paid almost twice this for her just about a year ago. This is a great opportunity for the right person.

Please call for more information (serious inquiries please). Thank you!
