Hi!
 I am a certified private home daycare provider. I love what I do because I love children! I have over 8 years in childcare. I am a mom myself, therefore I understand the importance of having a peace of mind knowing that your child is happy and safe when you are away. I am state tested and certified in cpr.first aid,childhood Abuse's and neglect as well as early childhood development and education. I am a firm believer that all children should be able to thrive and grow without being judged. Education is key and no matter the age I can guarantee your child will learn something new and exciting each day! I have 2 slots available for enrollment. Please feel free to call me at or email me to set up an interview. Thanks in advance!!
