

Trade (Cleveland West Park)

Location **Ohio**
<https://www.genclassifieds.com/x-444571-z>

i have a good running truck with no issues. im just interested in trading for something different. I just did the brakes front and back. Pads and rotors was put on. Slotted and drilled in the back. Sunroof and 4x4 works. I don't drive it much. No check engine lights on. No rust. I have two sets of factory rims. Just trying to see whats out.
