Hey there, I'm selling a Nikon CoolPix L830 camera

This camera has worked wonderfully for me taking pictures at conventions. It's only been used a few times though, so it's like new condition. I'm selling it because i'd like to upgrade to a camera that can change lenses

The L830 has an incredible 34x zoom, it takes great videos in HD 1080p

It has a mini hdmi port, which I will provide the cable for along with a newly bought Nikon padded lanyard

Let me know if you have any!
