

ISO Advertising Vehicle Wrap Gig (Avon Lake)

ISO an advertising gig where I drive around my really nice, in great condition, low mileage (43k), full size, '09 Silverado WT pickup to advertise your business. I'm safe, licensed and have full coverage.

I would like to earn some extra money by putting a wrap on my vehicle with advertisements. I typically drive about 35 miles a day in my vehicle, I do live on a busy road (Lake Rd. in Avon Lake) and would have no problem parking the vehicle towards the apron of my drive to expose your business.

You would pay for the wrap of the truck and removal and we could come to an agreement for mileage and/or a defined weeks amount of service. I have records of my driving history from Progressive Insurance "Snapshot" using my truck within the past four months to prove my claims about safe driving and mileage.

I'm willing to drive into targeted areas, provided that the roads are safe to travel on, and that spending time promoting/distance to an event would be compensated.
