Big, 3 bedroom, 2 full bath, cathedral ceilings. Insanely clean. Wood floors. one br is a man cave / computer and dart room. Fully furnished professionally. Washer & dryer in house. I do have a cat, , but he is a nice cat and keeps to himself. Nice patio with a grill and furniture. All new. 2 car attached garage with a pantry. (I get one space) Would prefer a single female. Split making dinners and stuff would be fun. One rule, no entertaining here. it is either you or me here, anything else we will discussed first. Nicest place you will find for \$500 / month. For a fully furnished place you can't go wrong. But it must be the right, trustworthy tenant. A little about me, I am recently divorced, nice looking, white, 5.9 190 and I have kids that may be here once and awhile. I am generous and a very caring person. Reply if interested and we can.
