I have over 15 years of experience repairing and rebuilding small engines. I have 15 years experience in auto/equipment repair. I would like to help you out with any small engine, automotive or equipment issues you may have. If you have a snowmobile, 4 wheeler, jet ski or snowblower that just sits around and takes up space. I am always looking to buy snowmobiles, jet skis or any project you have that is just taking up space. Text me or email with what you have and I will get back to you ASAP with price and time. I can take cash, PayPal, or credit cards.
