As the summer approaches, I know that children are thinking less about learning and more about fun. As a teacher, I understand the importance of continuing that learning throughout the summer months, especially for students who may struggle in various areas already. I would love to provide tutoring sessions to your child in their area of need.

We would meet in a public place (either the Fargo or Moorhead Public Library) at a specific time, at least once a week. Dates would be June 8th - August 6th, 10AM - 3PM (one-hour increments), Monday through Thursday. The cost is \$25/hour for one child, or \$30/hour for two children at similar levels at a time.

Hurry! Availability is limited and filling up!
