I LOVE my Young Living oils, but have too many! So I am selling some of my brand new, sealed bottles. They have all been stored in a dark case standing upright away from any heat. They are 100% essential therapeutic grade oils. We use them in our diffusers, capsules and roll them on. I am selling them all below the wholesale price you get as a member. You can email, text or call. I will update them as sold if they are not available.
