

re.....Looking for people for a photoshoot at an adventure course (SCAM ALERT)

Location **Pennsylvania**

Let me get this straight, you are a for profit company with 12 locations creating photos that you will use in your brochures and on your website to advertise your company but you don't want to pay the models who are helping to sell your services? Why? What 's that all about? The models, professional or not deserve to be paid for their work. They have to pay for headshots, composite cards, classes, gas to get back and forth to auditions and jobs, websites and other marketing materials. So you can damn sure PAY THE MODELS!

Telling them they get free admission to the course is about as stupid as you can get. That would be like telling the janitor that he doesn't have to pay admission to clean the place up! Of course he doesn't have to pay because he is WORKING FOR YOU! The models and also WORKING FOR YOU! The models can't pay their rent or car insurance or cable with "free admission and a gift certificate".

Does your company, Go Ape give away its services? HELL NO! Because if it did it wouldn't be in business very long!

Does your business get your building for free, free business insurance, free telephone, free internet, free electricity? HELL NO! Do you get everything for free: free equipment, free housing, a free car, free electricity, free heat, free food, free insurance, free clothing? HELL NO! So STOP ASKING FOR FREE WORK and PAY THE MODELS!
