I have a 7 month old puppy. She is so sweet, loves attention. my landlord don't want her around even though she is no bigger than the average cat. She a good girl. With training I believe she has the potential to be a service Animal. I've had two asthma attacks and she fetched my inhaler. She loves children especially cats. She won't leave mine alone.

Rehoming fee: 50.00

I want a good, stable home. You pick.
