Looking for someone like-minded to share my duplex at an ecovillage in the making in Sandy, Oregon. So ideally, you are someone who likes to grow your own food and live in a positive way. Great hiking & biking right out the door, we are a 5 minute walk from Sandy River trail & Tickle Creek trail. SAM bus line is right out the door, just a 20 minute trip to Gresham Transit Center. No smoking, but vaporizing is fine. No couples. Animals negotiable.

I have two room options, the smaller (8'x11') for \$550/mo or the master (11'x11') at \$650/mo with all utilities included.

Send me an email about why you want to live in an ecovillage and a bit about yourself so I can see if we'll get along.

Also, if you know someone looking for their own 2br duplex in an ecovillage, let's get.
