Single 25 y/o female relocating from Colorado for a job that starts July 6. My office is in West Linn and I'd like my commute to be less than 30 min. Interested in living downtown, but open to all areas of the city and surrounding suburbs. I have 1 cat and will be bringing my own furniture. Looking for a move-in date in late June (25-28) and a lease agreement no longer than 8 months. If you're looking for someone to take over the remainder of your lease, please reach out!

Open to roommates/sharing if you're okay with my kitty! His paperwork says he gets along with other cats/dogs, but I have no personal experience of how he'll react to a furry roommate. He's very clean, social, and has never damaged property.

I'm a professional engineer, workaholic, and night-owl (the quiet kind that uses headphones). I drink socially, don't smoke, and do my best to get to the yoga studio when I have downtime. Thanks!
