Hi my name is Salena.

So a little about myself. I'm a 24 year old female looking for a room to rent in Portland. I'm currently living in the beautiful Santa Cruz, CA area and am looking to move to Portland sometime at the beginning of this summer. I just got my associates degree in computer science and am transferring schools to work on my bachelors in accounting. When I'm working and going to school I'm generally gone for the whole day, so once I find a job and start school I won't be home during the day. I'm a pretty quiet person for the most part. I'm a morning person and I like to be up at 6 or 7 a.m. In my spare time I love to watch movies(Audrey Hepburn movies are my favorite), read, bake tons and tons of cupcakes, working out, etc. I don't smoke, party or do drugs, but I do enjoy a glass of wine or a beer at the end of the day once in a while. I'm a very nice and friendly person and I'm clean and neat. I love to clean. I'm easy to get along with, easy to talk to and I'm very respectful of others. Anything else you want to know about me feel free to ask.

I'm open to living with females and males. I'd prefer to have roommates in their twenties to early thirties. I'd love to have roommates that want to hangout once in while especially since I'd be new to the area. I have a 5 year old friendly maine coon cat named Elsa whom I would love to bring with me, but I can leave her with my mom if I have to. I'd like to pay no more than \$550 a month. I don't have a job in Portland yet, but I do have an income and I have enough money saved up until I find something. Also I'm working at my current job up until the day I leave, so I do have money. I want to make sure that I'm living in a safe environment, so I'd love for you to reply with a little about yourself, the room you are renting and any other roommates and I hope to hear from you soon!

PLEASE NO PERVS OR CREEPS, I WILL NOT
