

Need handyperson who does woodworking (Oregon City)

Location

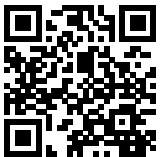

Oregon

<https://www.genclassifieds.com/x-444845-z>

We need to hire someone who is experienced, capable, and creative to help us build a wood outhouse. We just bought two used porta potties, but we want to build a wood building around them using materials we have here. We also need to re-side an old outbuilding with lap siding we picked up. Then we need picket fencing repaired that fell the last wind storm.

Please leave number and references. Can start.
